

CORPORATE SOCIAL RESPONSIBILITY COMMITMENT

OFFICE PRODUCTS DEPOT National Support Centre (NSO)

INTRODUCTION

The OFFICE PRODUCTS DEPOT Group is made up of a network of businesses operating throughout New Zealand. From Whangarei in the North, to Invercargill in the South, we have 24 Branches located nationwide. With community as their central focus, our OFFICE PRODUCTS DEPOT teams are made up of local people supporting their local businesses. At OFFICE PRODUCTS DEPOT, our people recognise how important it is to connect, support, and participate in their local communities. Giving back to those that need help is a responsibility that we as a Group share and take seriously, at both a National and Regional level.

OFFICE PRODUCTS DEPOT support New Zealand communities by:

1. A national sponsorship of the Lifeline organisation, managed by our National Support Office; and
2. Locally based programmes managed by our network of OPD Dealerships. We also work closely with our network of supply partners to jointly support community activity. In some cases, we also support our customers in their community-based programmes.

NATIONAL ACTIVITY

The OFFICE PRODUCTS DEPOT Group is a National Supporter and Corporate Sponsor of Lifeline Aotearoa. Lifeline is a New Zealand-based organisation that works with vulnerable Kiwis, specifically in the youth/child suicide, men's mental health, and counselling areas. www.lifeline.org.nz

OFFICE PRODUCTS DEPOT supports Lifeline Aotearoa with a funding donation gifted annually.

REGIONAL ACTIVITY

One of the greatest strengths of the OPD Group lies in our ability to make a meaningful impact both nationally and locally. Our businesses take immense pride in giving back to their communities. Regionally, OPD is honoured to support a diverse range of charitable organisations. These partnerships reflect our unwavering dedication to fostering positive change and improving the lives of those in need throughout Aotearoa.

will&able[®]

We are proud to partner with Will&Able, a Kiwi brand creating eco-friendly cleaning products while providing meaningful jobs for people with disabilities
